

**Corvallis  
Public Schools**  
FOUNDATION

## **Learning Enrichment Grants**

The mission of the CPSF is to unite private donors with educators to provide the best possible education for all students. Our small grants program was established several years ago to support students at the classroom level and to pilot new ideas and programs. **We have re-named our grant program and simplified the application for 2014/15 grant cycle.** We appreciate your feedback for continual improvement in this program!

Our goal with the Learning Enrichment Grants is to help educators **engage students in the 21<sup>st</sup> century learning skills of collaboration, critical thinking, problem solving, and hands-on projects.** Please contact us at 541-766-4856 if you have questions about the eligibility of your grant project.

### ***Required in your application***

- Project/program name and amount requested (\$200-\$1,000)
- How will funding enrich student learning?
- How many students will directly benefit?
- Budgeted items for project

*The following categories will not be funded with few exceptions:*

- Standard curriculum and textbooks
- Technology equipment that is part of the 1:World initiative or 509J Innovation Grants
- General school supplies and equipment (document cameras, smart boards)

The CPSF application form must be used and supplemental materials are not accepted. Your grant application must be pre-approved by your building administrator. Applications are provided in MS Word document format. Once completed, please save and name your application: **school name.lastname.firstname** and e-mail to [brenda.downum-vandevelder@corvallis.k12.or.us](mailto:brenda.downum-vandevelder@corvallis.k12.or.us) by midnight, November 11, 2014.

Additional questions may be directed to Foundation staff at 541-757-5857.
